two each of 6 designs, botanical illustrations of
historic plants at the Redding Parade Path Garden,
based on the drawings and calligraphy of Sally Dimon.

Cards on sale at Town Hall,
Mark Twain Library
or request by email.

Parade Path Garden

The design of the Path was inspired by the idea of remembrance and reflection on the past. The gentle stroll back in time was suggested by the discovery of an old 19th century stone forset which has become the central focus, a shady place for contemplation.
