

Redding Adult Softball League 2015 Managers,

It is time for you to start organizing your softball team for this spring. The fee for the softball league this year will again be \$475 for teams of all residents (or players treated as residents due to our liberal grandfather policies) plus \$25 for each no resident with a maximum team registration fee of \$625 before any late registration fees.

I have attached a Team Registration Form for your convenience. I'll need the form sent to me ASAP. You may fax it, mail it or scan and email it to me so I have a commitment from your team to play in our 2016 season. The form simply asks you for your team's name and manager contact numbers, emails, etc.If anything has changed regarding team contacts, please note that there was a change on the form somehow to be sure that I have updated your team's file correctly. **A \$100 deposit is required by Thursday, March 10 to hold your spot.**

We will have our pre-season meeting on Monday, March 7 (6:30pm at RCC Multi purpose room) to go over the basics, allow new teams to register and to collect the \$100 deposits that will secure your teams registration.

Your team's full payment is due by Thursday, April 7; four weeks later. You may of course send your deposit or full payment in with your team registration form before the meeting. Mastercard, Visa, Discover and American Express are accepted for your convenience. Existing teams who don't pay in full by the April 7 deadline will pay a \$25 late fee. Managers must hand in a minimum of 12 player rosters by Monday, April 11 or you will be forfeited from the league. Additional rosters can be submitted by the manager through July 15 but if you don't have at least 12 player rosters submitted by 4/11, your team will not be in the league AND you will forfeit your \$100 deposit. I simply can't make and remake the schedule because you can't get players for your team and get their paperwork together. I have attached the team registration form and the individual roster waivers. They will also be online. PLEASE START NOW. Send the forms out to your player; ask them to photocopy their license and attach it to the signed form and then to drop it by your house or place of business by April 1. That is 10 days before you need to submit them to me 6 weeks from now. **Remember managers are the only ones who should drop any forms of at the Park and Recreation Department.**

If you know of a team looking for a league, ask them to give me a call or have them submit the Team Registration Form to me BEFORE our March 7 manager's meeting.

The softball season will begin on Wednesday, April 27. We will attempt to run a 14 game schedule on Wednesdays and Thursdays. Hopefully we can get all 14 games in but guarantee at least 12 will be played by each team. No team can request only Wednesdays or Thursdays (or primarily Wednesday or Thursdays.)

I hope you will join us this year. Please confirm by email either way that you received this email. Send me the Team Registration form ASAP. Your non-refundable \$100 deposit is due March 10 (3 days after our meeting). Deposits or full payment, of course, can be accepted with the form well in advance. All major cards accepted.

Thanks,

Rob Blick
Redding Park and Recreation Director
