Dear Concert on the Green Contributor,

The Redding **Concert on the Green** series has become a wonderful summer attraction for all Redding residents for the past 30 plus years. The dates for this year's series run from June 19 through August 28 for a total of eleven concerts. The Parks and Recreation Department has been working diligently booking some exceptional local talent throughout New England to continue this wonderful summer tradition.

While many of our large donations come from event business sponsors, this year we are once again looking to our residents for additional financial support. This is especially important since donations have been down the last 5 years. These are occasions that you can personally share with your family, neighbors and friends. Please help by making sure you and your friends contribute to this great community event.

If you are interested in donating, please fill out the form provided in the link below and drop it off to the office by May 20, 2016. If you would like more information about the benefits of Concert on the Green Sponsorship or Summer Topstone Acoustic Series Sponsorship, please feel free to me at the contact numbers or e-mail below.

Thank you in advance for helping to make the Redding **Concert on the Green** series a success and continuing this tremendous community tradition.

Sincerely,

Robert Blick
