Welcome to science camp!! The staff of Hands On Science Enrichment, LLC looks forward to meeting your child.

A few reminders and requests;  
Camp Hours: 9:00am-3:30pm. Please pick up promptly at 3:30pm

Be sure your little scientist has a snack, lunch and plenty of water.

As of now, no peanut products are permitted.

If you child has an epi pen for food or insect allergies, please bring it with the appropriate Park and Recreation Administration of medicine form found on at [www.townofreddingct.org](http://www.townofreddingct.org).

Children will be consuming small amounts of marshmallows, gummy bears and jello. Children will be touching carnations and lima beans. Please advise staff on Monday of any relevant food allergies.

The following items are needed; a clear 16 oz soda (not water) bottle, a second clear bottle of any type, a shoe box to store your child's experiments.

Rockets will be launched at 1:30 Friday. Parents and caregivers are invited to watch the kids launch their message balloons and rockets.

Because of space restrictions at town owned properties, camp will be held at **the Redding Grange (not the Benedictine Grange!) at 399 Newtown Turnpike, Redding CT. The Grange Hall is an older one story structure just south of Cross Highway.**

In an emergency, the Director can be reached at 203-885-4119.

See you at camp!

Chris Greene  
Camp Director
