

NO SHAVE NOVEMBER

Each day, 22,000 people die from cancer worldwide (WHO). There's a good chance that someone you know and love will be affected by this disease. Nearly half of cancer diagnoses and deaths are preventable. No-Shave November's mission is to not only raise funds for cancer research and treatment but to educate the population about preventative measures. No-shave November donates the money raised to 4 different organizations, American Cancer Society, Prevent Cancer Foundation, Fight Colorectal Cancer and St. Jude Children's Research Hospital.

For over six years the No-Shave November campaign has successfully raised over \$3.5 million dollars to combat this disease. Every dollar raised brings us one step closer in our efforts to fund cancer research and education, help prevent the disease, and aid those fighting the battle. Each whisker grown allows us to embrace our hair, which many cancer patients lose during treatment. Will you join us?

The Redding Police Department appreciates any contributions towards the research and education of this disease. Our contribution will help many individuals and families that are battling cancer. We look forward to letting it grow with the support of the Redding community.

If you would like to donate please visit the Redding Police Website at:
