

## **VOTE AND DONATE!**

The Offices of the Redding Town Clerk and Registrar of Voters are working together to re-stock the Redding Food Pantry. This is the time of year when the food pantry supplies are low and we are hoping to fill the shelves once again. If you are coming to Town Hall to register to vote or apply for an absentee ballot or going to the Community Center to vote on Election Day, please consider bringing an item from the list below to donate. Boxes for donations are available at Town Hall and at the Redding Community Center.
