Dear Past Concert on the Green Contributor,

This year your concert donations are needed more than ever. Two years ago, the town's subsidy to the series was cut by \$3,000 leaving us with some tough choices. Fortunately, many residents and businesses stepped forward and supported the series so that we were able to offer our full complement of 11 shows. .

The Redding **Concert on the Green** series has become a wonderful summer attraction for all Redding residents for over 30 years. The Parks and Recreation Department has again booked some exceptional talent from throughout the New England area (and beyond) to continue this wonderful summer tradition. The dates for this year's series are from June 16 through August 25 for a total of eleven Sunday night concerts.

While many of our large donations come from business sponsors, this year we are once again looking to our residents for additional financial support. These concerts are occasions that you can personally share with your family, neighbors and friends. Please help by making sure you and your friends contribute to this great community event.

If you are able to step forward and donate (or can increase your donation this year), please fill out the enclosed form. Mail it, fax it or drop it off to the Park and Recreation office ASAP but no later than May 30 if you want your name listed in our concert program. You may also donate online if you have an online registration account with us.

If you would like more information about the benefits of Concert on the Green Sponsorship, please feel free to me at the contact number or e-mail below. The benefits are also listed below.

Thank you in advance for helping to make the Redding **Concert on the Green** series a success and continuing this tremendous community tradition.

Sincerely,  
 Robert Blick  
 Redding Park and Recreation Director
