

# Acoustic Music Series

## at Topstone Park

As an extension of the Lyrics Coffee House series, we have scheduled some very special musical performances at Topstone Park this summer.

Children are welcome to attend all performances but once the music starts they are expected to remain alongside their parents. If your children are not into listening to music, this may not be an event for them. Bring your own food and refreshments if you wish. Rancho Alegria will be preparing food for Mexican Night at a reasonable charge. Food details below.

Call our cancellation line if weather might force us indoors.
