## Tumbling Fun

Each Tumbling Fun class taught by Deatra Nocito will include a warm-up activity, stretching, a gymnastics circuit and a closing game. Students will learn basic beginner tumbling skills with games and activities that will build strength, balance and agility. We ask caregivers to wait during the class outside the gym for potty breaks and other preschool nuances.

## Preschool Open Gym

**Tuesday, September 22 – Sunday, January 3**

In an effort to create a more open Community Center, we have made youth open gym times for grades 5-12 FREE TO ALL RESIDENT YOUTH. This season, we offer three free youth open gym times on our schedule, including Saturdays combined youth / family time. High school students over 18 attending the

designated adult gym times must pay the adult drop in fee. Family gym times on Sundays are also free but parents must be here to play with their children. Saturday's combined gym time can be used by families and by those in grades 5-12 without a parent. As you probably know, many of the gym hours during the afternoon and evening are occupied by Park and Recreation classes, leagues, community sports groups and outside rentals. The gym is also available for adults to bring their children during the day on many weekdays. Just give us a call and we'll let you know when you can come down since schedules change.
