Welcome Campers and Parents!

The Redding Day Camp staff and I are looking forward to another summer filled with exciting field trips, new activities, and lots of fun. My staff and I are looking forward to making this a summer to remember!

This summer we will make new friends, explore nature and turn classic games in creative fun with water! In order to make those things happen, apply sunscreen in the morning and send it to camp with your child’s name on it. Wear to camp or pack a bathing suit daily. Even if they are not scheduled for Topstone or a field trip, you just never know when the heat will strike and the water fun will begin. Have your child wear sneakers every day. Outdoor safety is important during sports, running games and hikes at Topstone. Water shoes/sandals are welcomed during water activities. Don't forget to label ALL of your campers items.

Attached please find the summer calendar which contains daily themes, field trips, and our Topstone schedule. As well as, general camp information that will help you jump right into summer camp fun!

Kindly,

Jenn Lewis
