Women's Suffrage Centennial Celebration Series:

A Screening of the Documentary "One Woman One Vote"

Join us in celebrating the centennial anniversary of the 19th Amendment giving women the right to vote. We will be hosting several programs and an exhibit in our display cases honoring the women of the suffrage movement, their vision, and efforts.

To kick off our celebration we screen the PBS documentary "One Woman, One Vote." Narrated by Susan Sarandon, the documentary features historical photos and video clips of the suffrage movement, as well as a number of historians who provide needed context.
