REMINDER TO RESIDENTS
JUNE IS DOG LICENSING MONTH!

June is fast-approaching and it will soon be time to license all dogs once again. Now might be a good time to check your dog’s rabies vaccination to make sure it is up to date. Vaccinations are usually good for three years, after an initial one year shot. The rabies expiration date is on the paperwork provided by your vet.

If you are unsure of the rabies expiration date we have on file for your dog, email us at townclerk@townofreddingct.org and we will confirm the expiration date. Updated rabies certificates, as well as spay or neuter certificates, can be mailed, emailed or faxed to my office.

As much as I love seeing all of you once a year to renew dog licenses, I would strongly encourage you to renew by mail this year to cut down on the amount of traffic in Town Hall. We are not out of the woods yet with this pandemic and currently do not know when our offices will be fully open to the public.

To obtain your dog’s new license, just mail a check payable to the Town of Redding for the appropriate fee and any updated information along with a self-addressed stamped envelope to my office. For new dogs, click here for application. New licenses will be mailed to you the first week in June.

Thank you for keeping your dogs safe, healthy and legal!
