June 18, 2020

As of June 17 Connecticut has moved into phase II of reopening the State. Specifics from governor Lamont's plan can be found at this link: <https://portal.ct.gov/Coronavirus/Covid-19-Knowledge-Base/Latest-Guidance> . In addition to expanded restaurant operations now gyms, theatres, and beaches are open as long as they follow required phase II guidelines. Facility operators have the right to implement stricter rules if they see fit.

As progress on a defined set of public health metrics is noted then requirements will become less restrictive over time, and safeguards loosened. If public health metrics deteriorate, then we might need to revert back to stricter measures.

Gatherings

Effective June 17th

For indoor private gatherings – 25 people
Outdoor gatherings – 100 people

Effective mid-July (date to be determined)

Indoor private gatherings – 50 people
Outdoor private gatherings (including graduations) – 250 people

Testing

The State has released the following list of locations in the Redding area to be tested for COVID-19: https://www.211ct.org/search?terms=COVID-19%20Diagnostic%20Tests&page=1&location=06896&taxonomy_code=11048&service_area=redding Registering on line is advised.

Face Coverings

When in public and six-foot distance is unavoidable, face coverings are required to be worn. Wearing a mask does not replace social distancing and it must be worn properly, covering the nose and mouth.
