For Residential Electronics Only

Say Hello to Bye Bye Mattress

Drop off your old mattresses and box springs for free!

Town of Redding
Transfer Recycling Center
84 Hopewell Woods Rd.
Redding, CT 06896

We are open to the public
Every Mon./Wed./Fri./Sat.
7:30 a.m.— 3:00 p.m.

Bye Bye Mattress is a statewide mattress recycling program, created by a 2013 law and operated by the non-profit Mattress Recycling Council. Through this program, residents are no longer charged a disposal fee for mattresses and box springs*.

**Only mattresses and box springs that are not excessively damaged, wet or soiled will be accepted at no-cost for recycling.*

Water filters

Connecticut now has a universal list of what belongs in your recycling bin and what doesn't. All items should be **empty, rinsed, clean and open**. Do **not** shred, box, bag or bundle material.

Be **IN** the know.

It's important to understand why some items are **OUT!**

Visit www.hrra.org for more information.

Use the recycling search tool on the HRRRA home page for items not listed.

Learn more about where you can recycle clean dry plastic bags, shredded paper and other items such as electronic waste, mattresses, paint and thermostats. Yes they all can be recycled (**not** in your curbside bin!) but know where and how by visiting www.hrra.org site.

Sign-up for a free composting class or see if your town offers a food scrap drop-off.

See when the next Household Hazardous Waste Event will be held.

Discover the best practices for the disposal of medical waste, construction and demolition debris, bulky furniture, white goods, textiles and more.

* Check your local recycling center for a separate container for shredded paper and plastic bags. These items are recycled separately ONLY at a recycling center. They do **not** go in your curbside bin.

The Housatonic Resources Recovery Authority is a regional, governmental, waste management and recycling authority serving 11 municipalities in Western Connecticut including Bethel, Bridgewater, Brookfield, Danbury, Kent, New Fairfield, New Milford, Newtown, Redding, Ridgefield and Sherman.

IF A PRODUCT IS IN QUESTION PLEASE CONTACT US – THANK YOU

Organics Recycling Program

Organics recycling is now offered at the Redding Transfer & Recycling Station. This program is intended to help save you money on your household trash expenses AND to reduce the amount of waste we produce as a community. The Town is working in partnership with the Housatonic Valley Resources Recovery Authority (HRRRA), the regional municipal solid waste (MSW) and recycling management organization for the Housatonic Valley municipalities of Bethel, Bridgewater, Brookfield, Danbury, Kent, New Fairfield, New Milford, Newtown, Redding, Ridgefield, and Sherman.

Getting Started

Visit the HRRRA website at <http://hrra.org/organics-food-scraps/> and click on the Redding link. By providing your contact information, The Town of Redding and the HRRRA will be able to contact you regarding program information, announcements and news. Your information will not be shared with any other party and will only be used for this program.

Residents who sign up will **receive a FREE collection kit:**

- **1 gallon kitchen collection bin**
- **6 months of compostable bags**
- **6 gallon carry container**

Residents may bring their organic waste to the Recycling Center on days of operation.

Cost

The cost to dispose of organics at the Redding Transfer and is 10 cents a pound. That's 50% less than the cost to dispose of regular household garbage which is 20 cents a pound. And, by removing wet, heavy organic waste from your household trash, you'll spend less on that too.

You must also have a permit for the Town's Transfer & Recycling station. Permits can be purchased at the Redding Recycling Center or Redding Public Works during regular business hours. Permits run from July 1 to June 30th.

Regular: \$25 Additional vehicle \$10

Seniors: \$10 (60+ years of age) Additional vehicle \$5.00

Transfer & Recycling Station Hours of Operation

7:30 am – 3:00 pm: Monday, Wednesday, Friday & Saturday

Closed: Tuesday, Thursday & Sunday

Compost

In the spring, residents who participate in the Organics program can pick up free compost from the Recycling & Transfer Station.
