

Light Up Redding

- a decorated home auto tour

Want to enjoy all the great decorated homes in town this holiday season?

Did you spend hours decorating your home but only the people on your street can see it?

Redding Park and Recreation has a solution to both dilemmas. We are asking people who wish to have their house on our list to sign up by December 10. We will simply list your address and put together a suggested route that families can enjoy in their vehicles. We will post it on our website and blast it out on December 16.

Sign up now!

Activity: 32005-2

This is an auto tour and NOT a contest >>>>
