Dear Past Concert on the Green Contributor,

We are excited to bring the concerts back this summer after a year off due to the Pandemic. Sure you have been looking forward to this return. We are not sure at this moment in time what the rules will be but it is likely that masks will be required upon entry to the Green and that social distancing will be required in some form to keep Redding safe. The series will start on July 11 this summer.

The Redding **Concert on the Green** series has become a wonderful summer attraction for all Redding residents for over 30 years. The Parks and Recreation Department has again booked some exceptional talent from throughout the New England area to continue this wonderful summer tradition. The dates for this year's series are from July 11 through August 29 for a total of eight Sunday night concerts.

While many of our large donations come from business sponsors, this year we are once again looking to our residents for additional financial support. These concerts are occasions that you can personally share with your family, neighbors and friends. Please help by making sure you and your friends contribute to this great community event.

If you are able to step forward and donate (or can increase your donation this year), please fill out the enclosed form. Mail it, fax it or drop it off to the Park and Recreation office ASAP but no later than May 31 if you want your name listed in our concert program. You may also donate online if you have an online registration account with us.

If you would like more information about the benefits of Concert on the Green Sponsorship, or info on our other music series, please feel free to me at the contact number or e-mail below. The benefits are also listed below.

Thank you in advance for helping to make the Redding **Concert on the Green** series a success and continuing this tremendous community tradition.

Sincerely,

Robert Blick - Redding Park and Recreation Director
