Additional ways to register for vaccine:

To view a statewide list and map of COVID-19 vaccine clinics, go to www.211ct.org/vaccineclinics, enter your zip code or town in the location box on the right and press the yellow search icon. Eligible residents should use the resources currently available to schedule vaccines and remain patient if delays occur. Please do not wait for availability specifically with Redding. Currently, appointments can be made utilizing the following tools:

- **VAMS online system**: VAMS is the Vaccine Administration Management System and can be used to schedule appointments at multiple clinics across the state. To make an appointment using this system, click here.

- **Call Connecticut’s COVID-19 Vaccine Appointment Assist Line**: Connecticut’s COVID-19 vaccine appointment assist line is open from 8:00 a.m. to 8:00 p.m., seven days a week. To make an appointment, call 877-918-2224.

- **Hartford HealthCare**: To make an appointment, click here.

- **Yale New Haven Health**: To make an appointment, click here.

- **Stamford Health**: To make an appointment, click here.

- **Walgreens**: To make an appointment, click here.

- **CVS**: To make an appointment, click here.

- **Walmart**: To make an appointment, click here.

For the most up-to-date information on COVID-19 vaccination distribution plans in Connecticut, visit ct.gov/covidvaccine.

**Updated Travel Guidance**: As of March 19th, Governor Lamont’s Executive Order regarding travel is no longer in effect. Connecticut residents and travelers should follow travel-related guidance from the Centers for Disease Control and Prevention (CDC) and the Connecticut Department of Public Health (CT DPH). Mandates and requirements are not currently in place in Connecticut. Learn more here.
