Re: **November 2021 Monthly Report**

Cybersecurity Workshop – was held on November 2nd, with 14 participants out of 40 invites. The link to the recording of the session was emailed to all on November 17th.

Cybersecurity – participated in COST's (Council of Small Towns) webinar, Cybersecurity: What Towns Need to Know

Meeting with new School Superintendent and Finance Director – scheduled for Thursday, Nov 18th. Treasurer Higgins will also be attending.

FEMA Storm Isaisas – submitted and is under Environmental Review. Once that is completed (no time frame given, but was called a “lengthy review” by the FEMA Rep), the funds (\$170k) will be sent to the State, who will forward to the Town

FEMA Covid 19 – submitted to FEMA for review. Since the vaccination van was no charge to the Town, there were not any additional costs as previously anticipated. The total is approx. \$24k, which will be reimbursed at 100%.

FY 2021 Audit – the auditors are waiting on information requests from BOE to complete. Will need a Special Meeting of BOF in December to review and approve if complete. Just in case, I will file for a 30 day extension from the December 31, 2021 deadline
