**Minutes of Site Inspection**

**LOCATION:** Erin Sullivan & Glenn Cooper  
50 Lonetown Road

**DATE:** August 7, 2022

**TIME:** 9:00 AM

**PRESENT:**

**COMMISSION**

D. Pattee  
S. Green  
B. Hill  
C. Matzke  
T. Miller  
W. Perlman  
S. Robinson

**APPLICANT**

E. Sullivan  
G. Cooper

The Commission first inspected the garden area between the wetlands area and the road. Soil had been deposited in a thick layer next to the wetlands. The soil also appears to be of poor quality for a garden.

The next area inspected was the wood chip area between the driveway and the pond. The chips were placed up to the edge of the pond.

The site inspection ended at 9:20 am.
