B. Hill
C. Matzke
W. Perlman
S. Robinson

APPLICANT

F. Mosquera

The Commission started the site inspection in the rear yard to see the area of the earth moving and get an explanation of what is planned for the area. The inspection moved to the front of the house area. There were two rows of silt fence installed improperly. Mr. Mosquera was informed of the correct procedure. He will also update the sketch of the project to show all of the proposed work.

The site inspection ended at 9:50 am.
