Redding's Topstone Park is more than just a great place to swim in the summertime; Topstone offers so much more, like year-round picnicking, hiking and nature study. Plus, this year some new improvements will make visiting the park an even more enjoyable occasion. There are also grills, picnic tables, and basketball hoops available for use in the off season. Residents may also apply for beach party or overnight camping permits on weekends.

Many people use a stroll on the trails as an opportunity to walk their dog. Leashes are required in the parking lots, driveways and beach area. After May 15 dogs are prohibited from the beach area. Last year, thanks to the Eagle Scout project of Ian Cedusky, we have added dog park where your dog can be off leash once you are in the fenced in area. Years ago, we had created a small waterfront area known as “Magee’s Swimming Hole” across the dam. Here your dog can romp off the leash and go for a swim even after beach season begins.

Once summer season begins, our beautiful 280 acre facility offers a superb sand beach and guarded swimming area as well as use of the Park and Recreation Department's fleet of fun watercraft. We have kayaks, paddleboats, a rowboat and canoes for your enjoyment. Use of these boats is free of charge as it is included with your admission to the park. In addition, we'll be offering a wide variety of new special programs hosted by our lifeguards, residents and invited guests such as outdoor lectures, family fun nights and contests.

This summer, the beach will be open for swimming on weekends starting Memorial Day weekend May 25-27. The park will open on a “weekends only” schedule 11:00am-7:00pm. Beginning Monday, June 17, Topstone will be open daily for the summer as follows:

There are many different price options for your convenience including a Family Season Pass fee of only $150 for residents - a real steal of a deal! We have changed the pass structure allowing a discount for single parent families. We also are allowing residents to sign up additional family member for a pass who may live out of town for an additional fee. This year you may also renew your season pass online or pay at the park.

Besides buying a Full Season Pass, residents may choose to pay at the entrance (see the chart on the next page) or buy a “20 Use Pass.” The 20 Use Pass is only $75 and will be punched once daily for each person who uses the swimming beach.

Another option is our “Weekly Pass.” Residents may purchase a Weekly Pass for themselves or their guests at the park for $14 per person, per week. These passes are good for 1 calendar week and may be purchased at the entrance or at our office. A great offer for those who are home only a few summer weeks or for weeklong visiting guests.

Lastly, we are now allowing residents who visit at the end of the day to pay only $4 per person when entering the beach after 5:00pm.

Hopefully these new choices will make using our Town Park an even better value for you, your family and your friends.

**Hours of Operation**

This summer, the Topstone Park Beach opens for swimming on Memorial Day weekend May 25-27. The park will open on a "weekends only" schedule 11:00am-7:00pm.

Beginning Monday, June 17, Topstone will be open daily for the summer as follows:
The beach will be closed August 28-30 due to the schools opening but will reopen for Labor Day Weekend for August 31- September 2 from the hours of 11am-7pm.

**Season Beach Passes**

ID is required as proof of residency for purchasing your pass. Acceptable forms of ID: a driver's license, tax bill or a current utility bill. PO boxes are not acceptable.

Topstone season passes can be renewed online and can be purchased at Topstone Park as well as through the Park and Recreation office during normal office hours or by mail or fax. If you had a pass last year, you can renew your pass online.

Forms are available at the front of this booklet, at our office or online at [www.townofreddingct.org](http://www.townofreddingct.org)

Although we call them “Passes,” we actually have a list of pass holders at the beach welcome table. Showing your Drivers’ License to the entrance guard and having them check the pass holders list will permit your entry. Those visitors paying the daily fee should bring their Drivers’ License to prove residency as well.

Forgot to buy your pass in advance but don’t have enough money at the gate? You can pay the daily use fee at the entrance table and use your receipt(s) for up to a maximum of $50 credit off your season pass if purchased within 2 weeks.

### A Few More Important Details:

**Smoking and Alcohol Policy**

For the safety and enjoyment of all patrons, smoking and vaping is not permitted past the parking lot and alcohol is not permitted in the park at any time except certain Park and Recreation Department special events.

**Family / Guest**

A “family,” for our purposes, is any one or two adults who live at the same address year round and all the children who live at that same address. You may buy a separate pass for one Nanny /Caregiver (or additional adults who live in your household at the rate of $30 per adult or $25 per youth. You may also choose to count the nanny as one of the two adults in the household (In these cases, the second parent must then pay the $7 daily resident fee when they attend or buy a Punch Pass, Weekly Pass, etc.....).

Resident who have summer guests or family members whose permanent residence is outside Redding are not Redding taxpayers can’t be included on your family pass without extra fees. They must pay the daily fee if accompanied by the resident; or the non-resident fee if not accompanied by a resident. Beginning last year, we allowed residents who are family passholders only to pay additional fees for family members who do not live in your household; @ $30 per adult and $25 per child. They can enjoy Topstone Park under your Resident Family Pass for this reasonable additional annual fee. This is only for residents who have purchased a “Family Season Pass.”

**Non-swimmers**

Parents of non-swimmers who venture into the shallow areas are expected to be in the water with them at all times, within an arm’s reach of their children.

No flotation devices are permitted except certified lifejackets. “Noodles” are considered swim toys to be played with by swimmers or by non-swimmers with an adult standing next to them within arm’s reach in the water.

**Age Requirements and Boats**

Topstone has canoes, kayaks, funyaks, a row boat and paddleboats available for use at no additional charge with your admission. However, boat waivers must be signed by an adult before using any of our watercraft.

Youth pass holders 13 and older have full use of Topstone without a supervising parent/guardian adult being present; although they must have their parents fill out a "Seasonal Boat Use Waiver" if they wish to be allowed to use the boats when their parents are not present.

Children ages 11 and older may use the canoes, kayaks or paddle boats if their parents sign the boat out for them. Nine and ten year olds must always have an adult in the boats with them but may use the smaller, easy to handle...
funyaks on their own provided their parents sign them out.

9-12 year olds may only use the boats if a parent signs them out or if a parent has signed the “Seasonal Boat Use Waiver” allowing another adult to sign them out.

We need the approximate number of children, age of the children, your cell number and the date and time you are requesting.

Waterfront Lifeguard Class
We are hoping to offer a Waterfront Lifeguarding class this summer but do not have one arranged at this time. Sign up for one in another town to guarantee enrollment. Stay tuned to our email blast for announcements.

Swim Lessons @ Topstone
This year we will again offer both low cost group swim lessons and private swim lessons at Topstone Park.

The lessons will be taught whenever possible by certified Red Cross Water Safety Instructors (WSI). Our WSI will use the instructional levels as defined by the American Red Cross Swim Lesson Program.

Registration details for this summer’s swim lessons will be available by June 1. This year, our group lessons will run Monday- Thursday in 2 week sessions with Friday makeups.

All children taking swim lessons must be pretested except for the non-swimmer lessons

GROUP SWIM LESSON
REGISTRATION & TESTING
All participants (except preschool non-swimmers and Level 1’s) must be pre-tested prior to registering for swim lessons so that we get them in the correct class.
Preschool Swim Lessons are for 3-4 year olds only
Level 1-5 Swim Lessons are for children 5 years old and up by the first day of class.
Pre-testing will take place at Topstone Park on the following dates and times:
Where do I find the Swim Testing Registration form?

By June 1, the Swim Lesson Registration/Testing form will be available at the Park and Recreation office, online or at Topstone Park on the days of the swim testing. Sign up for the Park and Recreation Email blast to get the word the moment it is available. www.townofreddingct.org

All registration forms must be brought to the Park and Recreation office (with payment) or dropped at the green Community Center drop box outside the Park and Recreation office by Monday, June 24 at 12:00pm. You may NOT register online for swim lessons.

We will run all classes with at least 2 people in them. Class size is limited to a maximum of 8 students per instructor and 6 students per instructor for beginner classes and preschool classes. Classes may be bigger if we have extra instructors but the ratio will remain no greater than 8:1 or 6:1 respectfully.

We will process all registration forms on Monday afternoon, June 24 and notify anyone who didn't get their first choice by Wednesday, June 26.

PRIVATE SWIM LESSONS

Private Swim lessons are being offered this summer at Topstone Park for 5 weeks beginning July 8 on Mondays-Thursdays. There will be 4 half hour morning classes in these 5 one week sessions. Times have not been set yet. If we do not fill all the assigned slots we may need to adjust lesson times within these times to fit our instructor schedules. A special Private lesson registration form will be available on the Park and Recreation webpage by June 1, at the office and at Topstone Park.

Private swim lessons will on a first come first served basis separate from our group lesson registration process. Lessons are $100 for four private lessons and $150 ($75 each) for four semi-private lessons. We will accept one single payment of either $100 or $150 for each slot reserved. This means if you choose the semi-private option you must find a partner and sign up together on a single form.

To be alerted about the release of our swim lesson schedules and forms, be sure to sign up for the Park and Recreation email blast. www.townofreddingct.org

Redding Park & Recreation Mission Statement
The mission of the Redding Park and Recreation Department is
to provide recreational opportunities for Redding residents,
through the maintenance of our park and the development of
sports and recreational programs.

Office Information
The Park and Recreation Department office is in the
Redding Community Center at 37 Lonetown Road behind
the Redding Elementary School. The office is open Monday
through Wednesday 8:30 a.m. to 5:30 p.m., Thursdays
8:30-6:00p.m, closed Fridays. Our phone number is
(203)938-2551 and our Fax is 938-1071. Our general
email is parkrec@townofreddingct.org

Inclusion
Redding Park and Recreation programs are inclusive of all
who wish to participate. We do not discriminate on the
basis of race, color, national origin, gender, religion, age, or
disability in the provision of programs and services.
Individuals with disabilities are encouraged to register for
activities.

The Redding Parks and Recreation Department is
complying with the Americans with Disabilities Act, Public
Law 101-336. The law addresses issues of accessibility of
facilities and programs. Reasonable program
accommodations will be made on a case-by-case basis to
allow people with disabilities to both participate in, and
benefit from our programs.

The ADA does not require the Town of Redding to take any
action that would fundamentally alter the nature of its
programs or services or impose an undue financial or
administrative burden.

If you need an accommodation, please contact us well in
advance so that we can begin the process of making our
programs available to all.

How do I register for programs?

town website (townofreddingct.org). Click on the link to
register online. If you have any problems registering
online for any program, please call us during office hours
for assistance.

IN PERSON at the Park and Recreation Office. Completed

in this brochure. All other “special registrations forms” are
available at our offices or are online at
www.townofreddingct.org.

Payment in the form of cash, check or credit card (Visa,
Mastercard, American Express or Discover). Due to heavy
seasonal volume, credit card information must be written
on the forms for us to process. Card information will be
locked in a safe and shredded after processing.

MAIL to P.O. Box 1071, Redding, CT. 06875.
DROP off completed form with payment information in
our green drop box outside RCC near the gym entrance.

Another convenient way for you to register for programs
would be to fax the completed form to 203-938-1071, be
sure to include payment information.

When should I enroll?
You should enroll as soon as possible. For most programs
to be conducted, a minimum enrollment must be reached.
In addition, there is usually a maximum enrollment based
on the facility size and the instructor’s requirements. Many
of our popular programs will fill up. Registration is always
on a first come, first served basis. Register early to avoid
being closed out of an activity or us being forced to cancel
an activity! ONLINE Registration usually ends two
business days before the start of a program.

How will I know if I get into a class?
We do not send or call with confirmations unless you
register online. We will only call you if you did not get into
a class or if the class did not reach the minimum
enrollment necessary to run the class. We will try to call at
least 2 days in advance if we are forced to cancel a class. If
you require more notice, feel free to call us to see how
enrollment is going. If a class is full ask to be put on the
waitlist. We may be able to form a new class if enough
people are interested and there is enough space to do so.

Can Non-Residents attend programs?
Yes. There is no additional fee for classes or camps. There
are different fees for non-residents for our open gyms,
special events and Topstone Park. For some programs,
non-residents may be asked to wait to register for one
week after registration begins.

Is there a discount for seniors?
Residents 60 years of age and over are entitled to a 50% discount on most programs except trips, passes or unless
otherwise stated.
**What is the returned checks fee?**
If a check is returned to the Park and Recreation Department for any reason, there will be a $35.00 service charge assessed.

**What is your department's credit / refund policy?**
A full refund/credit will be issued if the program is canceled by the Park and Recreation Department prior to the program's start.

A refund/credit for the program (less a 10% processing fee) will be issued when an individual withdraws from a program at least one week prior to the program's printed starting date. When withdrawal occurs less than a week before the program starts, only 50% of the fee will be credited. After a class starts, no refund or credit will be issued.

Any credit that might be issued will be applied to your household and may be used towards another Park and Recreation program. This household credit does not expire. Refund checks can be issued if specifically requested.

Partial credits or refunds for special events and trips will only be issued if a waiting list exists and the spot can be filled.

**Separate credit policies exist in our after-school programs, ski trips, basketball leagues, summer, and vacation camps. Please look for our policies on those special registration forms or handbooks.**

**How do I find out if a program is canceled due to inclement weather?**
If there is a question as to whether class will be held or not, call the Park and Recreation Cancellation line at 938-5036 and select option #3. The message will be updated at least 30 minutes prior to the class time or earlier.

**What happens if a class is right after school at RES?**
Parents should contact the school through the School Dismissal Manager (SDM) each day. Please indicate “the class title” (not the location). This is required by RES and allows the child to go to Park and Recreation classes at 3:00pm or 3:15pm. Please do not indicate Parent Pick up Zone unless you are picking up your child and he/she is not attending class (see next section). If the program is at RES, children in grades 1-4 walk themselves to the cafeteria (or the class location if the class is at RES) after they announce that Park and Recreation Class participants should leave their classrooms. We will always pick up kindergartners at their classrooms and walk them to our classes. For tennis classes and programs at the Redding Community Center, instructors will pick up the students in the cafeteria after the last bus is called and walk them to the program area.

**PLEASE NOTE:** If your child is signed up for back-to-back classes it is your responsibility to escort your child to the second class. Park and Recreation staff will not be available to do so.

**What if my child is not attending a class?**
Park and Rec. works closely with the school to ensure the safety of all children. Park and Rec. needs parents to call us if your child will not be at a 3:00pm or 3:15pm class. Please call us by 8:30 AM so that we do not spend time trying to determine where the children are going. If plans change during the day, you should always make separate calls to us and the school and always update School Dismissal Manager.

**Do you provide transportation from JRMS?**
JRMS Students who want to attend Park and Recreation classes may now take a school bus directly to the Redding Community Center. Contact the JRMS Office in advance to discuss how to arrange transportation to Redding Community Center. In order to make this run smoothly, we cannot accept day of registration for classes and allow bus transportation from JRMS. Parents should explain to their child that upon their arrival at the Community Center, they may be asked to wait quietly for their class to begin.

**From the Director…..**

This winter, Park and Recreation's Youth basketball leagues had another great season. In addition to the 3rd-8th grade leagues, we had over 60 High School Recreation League players. Thanks to all of our volunteers, referee staff and players who made this a fun memorable season. A special shout out to Jeff Earle who has run our Saturday Basketball league for over 15 seasons. Jeff will be retiring. He will be missed.

This brochure features info about all our spring programs, summer camps as well as info about Topstone Park and our summer concert series. Be sure to check out our lineup and donate funds to the series. Sunday night Concerts and Topstone Park are truly gems of our community!

We plan on adding more programs, events, and trips. The best way to be notified of added programs is to sign up for our email blast as well as social media options of Facebook and Instagram.

Our Tennis and Pickleball Courts are now open and be sure to take advantage of lessons and open gyms available for all ages.

We offer limited Pickleball times in our gym. The daily fee is $7 for residents and $10 for non-residents. A three-month pass for residents is $40. This is time for open play for all, no reserved courts allowed during open pickle times. Reference the Open Gym schedule for pickleball options.

Tennis /Pickleball Courts

The courts at RCC are available for use on a first come first served basis by residents and their guests. We ask that people limit their daily use to 1 hour if someone is waiting for a court. No court reservations are required or accepted. Park and Recreation has lessons planned seasonally and occasional special events. We will post those dates at least a week in advance.

Pickleball Nets

We have pickleball lines on the existing tennis courts that require the use of portable nets. The nets are stored in the blue storage box outside the fence. For access to the portable nets, you will need to be placed on the Pickleball net list by contacting the Park and Recreation office where your name and contact information will be confirmed. Once you are placed on the list you will be given the combination to the storage box. We will notify residents on the list when the combination has been changed. Please let us know if you need instructions on setting the nets up.

Summer Camp 2024

Redding Park and Recreation is pleased to be able to offer a variety of camps for summer 2024! Our goals for this summer’s camps include creating safe memorable experiences that bring people together.

At camp we value friendship, personal growth, respect for others, diversity, fitness, trying new things, fun and safety. All Park and Recreation programs are open and accessible to all. We will make any reasonable accommodation to address the special needs of our participants.

Did you know if you sign up for a half day specialty camp held at the RCC and you can come to Day Camp too? Well, you can! Just sign up for both camps and receive 25% off the Day Camp fee. Park and Recreation staff members will escort your child to and from their camps. The registration form must be submitted to the Park and Recreation office directly in order for the discount to be applied.

**Counselors**

The single most important person responsible for making your child’s summer camp experience a special one is his/her camp counselor. Our counselors understand how important the summer camp experience is for your child; many of them are former campers! They take part in a staff orientation and safety training prior to the start of camp where our camp goals and expectations are clarified.

**Important Registration Information**

You may register online up until the Wednesday before you start camp and in person up to Thursday before camp at the Park and Recreation office by 5pm. You must provide all necessary forms when registering the Thursday before camp in the office.

**Attending RES Summer Academy?**

If you are attending the Summer Academy, you can also register your child for Day Camp! We will coordinate with Academy staff to pick up your child for the afternoon portion of Day Camp on M-TH and full camp day on Friday! The camp fee is reduced by 25%. The registration form must be submitted to the Park and Recreation office directly in order for the discount to be applied. Please be sure to list on your child’s registration form the weeks they will attend RES summer Academy.
